

**THE ENBRIDGE® RIDE TO CONQUER CANCER® PRESENTED BY EVRAZ ANNOUNCES \$5.9 MILLION RAISED IN ANNUAL EVENT, COLLECTIVELY RAISING OVER \$80.9 MILLION IN 11 YEARS**

**Alberta's largest cycling fundraiser draws 1,255 Riders in the 11<sup>th</sup> annual event, cycling over 200 kilometres in two days and supporting breakthrough cancer research and care at the Alberta Cancer Foundation and 15 other centers across Alberta**

**FOR IMMEDIATE RELEASE:**

**CALGARY, August 17, 2019** - The Enbridge® Ride to Conquer Cancer® presented by Evraz announced 1,255 Riders helped raise \$5.9 million for the Alberta Cancer Foundation as the 11<sup>th</sup> annual Ride commenced in Calgary on Saturday. In 11 years, the Alberta Ride has raised over \$80.9 million to support breakthrough cancer research, clinical trials, enhanced care and the discovery of new cancer therapies at the Tom Baker Cancer Centre, Cross Cancer Institute and 15 other centres across Alberta. The Alberta Ride is the province's largest cycling fundraising and Canada's largest peer-to-peer fundraising event.

*"Today, the Enbridge Ride to Conquer Cancer honours 11 years of creating more moments for Albertans facing cancer," said Ellen Wright Terrill, Interim CEO of the Alberta Cancer Foundation.*

*"We are so grateful for this inspirational community of Riders, volunteers, Crew members, donors and partners who are dedicated to powering progress in cancer research, treatment and care. Dollars raised will continue to support the 17 cancer centres across the province and provide Albertans with improved outcomes and real-life returns," added Wright Terrill.*

The annual event draws thousands of participants and brings together communities of cancer survivors, cyclists and supporters who train and fundraise for months in order to participate in the two-day, 200-kilometre Ride throughout Alberta. With events also in Ontario, Quebec and British Columbia, the Ride event series has raised over \$446.3 million for cancer research, treatment, education and care programs across the country since 2008 and is Canada's largest peer-to-peer fundraiser.

Leah Meier participates after completing treatment for stage 4 Colorectal cancer this past February. She says, "As little as five years ago, my family and friends may have been riding in my honour. Now, due to research, I'm riding with them. Don't underestimate the power and importance of fundraising and events like The Ride. Research leads to a cure - if people didn't participate in The Ride before me, I may not be here," Leah Meier, cancer survivor and first-year Rider from Taber, Alberta.

Since 2011, Enbridge has been the title sponsor of the Ride to Conquer Cancer. Collectively, 2,500 Enbridge employees, their friends and their families have raised over \$9.5 million for the Ride across Canada. Sponsorship funds donated by Enbridge allow dollars raised by Ride participants to support cancer programs at the Alberta Cancer Foundation.

*Team Enbridge shares the Alberta Cancer Foundation's vision of a cancer-free future," said Vern Yu, President & Chief Operating Officer, Enbridge Liquids Pipelines. "Our community of employees, family and friends continue to ride and raise funds every year to keep up the momentum in the fight to conquer cancer. By supporting advancements to cancer research in Alberta, we are creating a brighter future for generations to come. We're proud to be the title sponsor of the Ride to Conquer Cancer for the tenth consecutive year in Alberta and we're proud to have renewed our partnership for 2020," said Vern Yu, President & Chief Operating Officer, Enbridge Liquids Pipelines.*

Organizers released the dates of July 25 and 26 for the 2020 Ride, and encourage people of all athletic abilities to participate in the 12<sup>th</sup> annual Enbridge Ride to Conquer Cancer. For more details visit [www.conquercancer.ca](http://www.conquercancer.ca) or call (888) 624-2453.

**ABOUT THE ALBERTA CANCER FOUNDATION**

The Alberta Cancer Foundation is proud to be the official fundraising partner for the 17 Alberta Health Services cancer centres throughout the province. We aim to create more moments for Albertans facing cancer by inspiring our community to give to innovation in detection, treatment and care. Thanks to the generosity of donors, we are able to

seek out and support the most promising research and care initiatives that will have a direct impact on patients, and provide real-life returns.

### **ABOUT ENBRIDGE**

Enbridge Inc. is a leading North American energy infrastructure company. We safely and reliably deliver the energy people need and want to fuel quality of life. Our core businesses include Liquids Pipelines, which transports approximately 25 percent of the crude oil produced in North America; Gas Transmission and Midstream, which transports approximately 20 percent of the natural gas consumed in the U.S.; and Utilities and Power Operations, which serves approximately 3.7 million retail customers in Ontario, Quebec and New Brunswick, and generates approximately 1,600 MW of net renewable power in North America and Europe. The Company's common shares trade on the Toronto and New York stock exchanges under the symbol ENB. For more information, visit [www.enbridge.com](http://www.enbridge.com)
